

Dr. Alejandro Ceccatto

Academic background

1985

PhD in Physics, National University of La Plata [UNLP].

1979

BSc in Physics, National University of Rosario [UNR].

Postdoctoral Studies:

1988 – 1989

Institute for Theoretical Physics, University of Cologne, Germany.

1986 – 1988

Department of Applied Physics at Stanford University [USA].

Professional background

2015 - present

President of the National Council of Scientific and Technical Research [CONICET].

2008 – 2015

Secretary for Scientific and Technological Coordination of the Ministry of Science, Technology and Productive Innovation.

2007 – present

- Director, of the International French-Argentine Centre for Information Sciences and Systems [CIFASIS], University of Marseille /UNR/CONICET/CNRS [on leave].
- Executive Director of the National Network for Research and Education in Argentina [INNOVA-RED], INNOVA-T Foundation [on leave].

2006 – 2007

Director in charge of the Research Institute for Educational Sciences of Rosario CONICET/UNR.

2005 – 2008

- Vice President of the Argentine Society of Information [SADIO].
- Member of the Provincial Interinstitutional Council of Science and Technology [COPRICTEC]. Undersecretariat for Science, Technology and Innovation of the Province of Santa Fe.
- Member of the Advisory Council for the Promotion and Development of Technological Innovation – Act No. 10709, Santa Fe.

2003 – 2008

Vice President of the Foundation RosCyTec - UVT.

2002 – 2004

President of the Advisory Committee on Informatics, CONICET.

Dr. Alejandro Ceccatto

2001 – 2008

Director of the Science and Technology Centre of Rosario (Rosario CCT), CONICET.

1999 – 2003

Coordinator of the Physics and Mathematics Area of the National Agency for Scientific and Technological Promotion.

1999 – 2001

Member of the Advisory Committee - Area of Exact and Natural Sciences of CONICET.

1994 – 2002

- Director of the Institute of Physics of Rosario (IFIR) - CONICET / UNR.
- Member of the Board of Directors of the Foundation ACIFIR-UVT.

1994 – 1999

Member of the Advisory Board of the Centre for Interdisciplinary Studies (CIS) of the UNR.

1987 – 1988

Consultant, XEROX Corporation - XEROX Palo Alto Research Center.

1983 – 1986

Head of Department of Physics, Higher Institute of Teacher Training in Physics, Mathematics and Cosmography.

Background research

1998 – present

Principal Investigator - Research Career of CONICET (on leave).

2003 – 2004

Head of Applied Physics Division, Institute of Physics of Rosario (IFIR).

1991 – present

Associate Member of the International Centre for Theoretical Physics (ICTP, Trieste, Italy).

1988 – 1989

Fellow of the Alexander von Humboldt Foundation, University of Cologne (Germany).

1986 – 1988

Research Associate - Department of Applied Physics at Stanford University (USA).

Teaching activities

2001 – present

Professor, School of Exact Sciences, Engineering and Land Surveying, UNR.

Publications

He has published over 120 refereed articles and has directed 12 doctoral theses.
